AWARD: CM/Contractor will determine the low Bidder on the basis of the sum of the Lump Sum Base Bid plus all Unit Prices multiplied by their respective Estimated Quantities as stated in the Bid Form, if any, plus the amounts of all Alternates to be included in the Contract Sum at the time of award. The Contract Sum will be the sum of the Lump Sum Base Bid and the additive or deductive amounts for all Alternates that University has selected to be included in the Contract Sum as of the time of award.

LICENSE REQUIREMENTS: The successful Bidder will be required to have the following California current and active contractor's license at the time of submission of the Bid per the bid package chart on page 1 of the Advertisement to Bid.

BNBUILDERS and UC San Diego encourage the participation of Small, Disadvantaged, Minority-owned, Women-owned and Service/Disabled Veteran-owned Business Enterprises (S/D/M/W/DVBE's) and are committed to promote a diverse pool of firms for our building programs.

Every effort will be made to ensure that all persons have equal access to contracts and other business opportunities with the University within the limits imposed by law or University policy. Each Bidder may be required to show evidence of its equal employment opportunity policy. The successful Bidder and its subcontractors will be required to follow the nondiscrimination requirements set forth in the contract between the University and the CM/Contractor, and to pay prevailing wage at the location of work.

The work described in the contract is a public work subject to section 1771 of the California Labor Code.

ALL CONTRACTORS AND SUBCONTRACTORS MUST BE REGISTERED WITH THE DEPARTMENT OF INDUSTRIAL RELATIONS (DIR) AT BID TIME. Go to <http://www.dir.ca.gov/public-works/publicworks.html> for more information and to register. **Prevailing wage rate for this project should be 2022-2.**

Contractors and subcontractors on all public works projects awarded on or after April 1, 2015, must use the DIR's upgraded electronic certified payroll reporting (eCPR) system to furnish certified payroll records (CPRs) to the Labor Commissioner. Contractors and subcontractors who have been submitting PDF copies of their CPRs for earlier projects must also begin using the new system.

No contractor or subcontractor, regardless of tier, may be listed on a Bid for, or engage in the performance of, any portion of this project, unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 and 1771.1.

This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

The successful Bidder shall pay all persons providing construction services and/or any labor on site, including any University location, no less than the UC Fair Wage (defined as \$15 per hour as of 10/1/17) and shall comply with all applicable federal, state and local working condition requirements.

FILING A BID PROTEST

For purposes of a bid protest, the address of University's Facility office is:

**University of California, San Diego
10280 N. Torrey Pines Road
La Jolla, CA 92037-0916**

Any Bidder, person, or entity may file a Bid protest. The protest must state the specific reasons and facts upon which the protest is based and shall be filed in writing with the Facility office issuing the bidding documents, not later than 5:00 pm on the 3rd business day after:

- .1 if the Bid Form does not contain any Alternate(s), the date of the Bid opening;
- .2 if the Bid Form contains any Alternate(s), the date of posting in a public place of Bid results.

If a Bid is rejected by the CM/Contractor and such rejection is not in response to a Bid protest, any Bidder, person or entity may dispute that rejection by filing a Bid protest (limited to the rejection) in writing and received by the Facility not later than 5:00 pm on the 3rd business day following the rejected Bidder's receipt of the notice of rejection.

INFORMATION AVAILABLE TO BIDDERS

The following information is made available for the convenience of bidders and is not a part of the Contract. The information is provided subject to the provisions of Article 3 of the General Conditions.

1. Prevailing wage information: A bidder can obtain the prevailing wage information through the internet at www.dir.ca.gov or by contacting University's principal Facility office.
Prevailing wage rate for this project should be 2022-2.

The University of California has contracts for materials, equipment and/or services with the suppliers listed on the Office of the President Procurement Services website at <http://www.ucop.edu/procurement-services/for-suppliers/ucop-designated-construction-agreements.html>.

General Contractors or others submitting bids for University construction projects may enter into agreements with these suppliers that utilize the pricing and terms contained in the University-supplier agreements. The university does not represent or warrant that materials/equipment/services of these suppliers meet the requirements of the University's construction contracts.

Use of such suppliers shall not relieve Contractor from its obligation to meet all contractual requirements in any contracts with the University. The university will not be a party to any agreements with such suppliers and accepts no performance obligations or liability with respect to such agreements.
